

Rink-Hockey in the World (2014)

These statistics were obtained in internet and from direct information from clubs or federations. The figures may be, however, somehow lower than actual values, especially for countries or regions where the sport is less developed.

Total number of clubs playing rink-hockey: 833

Total number of teams: 4 626

From which: 22,8 % are adult men teams; 9,6 % are women teams

This represents a decrease of 1,8 % in the total number of clubs and an increase of 8,0 % in the total number of teams, when compared with 2013.
